## Funny New Year's Resolution To Usher In 2021 And Kick 2020 To The Curb

Every year people make resolutions to change something about themselves or start doing something differently. Unfortunately, their New Year's resolutions end quickly, and soon they are back to the same thing again. Setting New Year's resolutions has become such a joke that it's probably more useful to write a list of funny resolutions and laugh at them. You could, of course, set resolutions for yourself at any time of the year.

Here is a list of funny New Year's resolutions that you can laugh at before you set yourself up for failure this year. Write your own funny New Year's resolutions at the bottom of this page, so the list can be even longer. Good luck resisting falling into the resolutions trap!

### 10 "Realistic" Resolutions

I will...

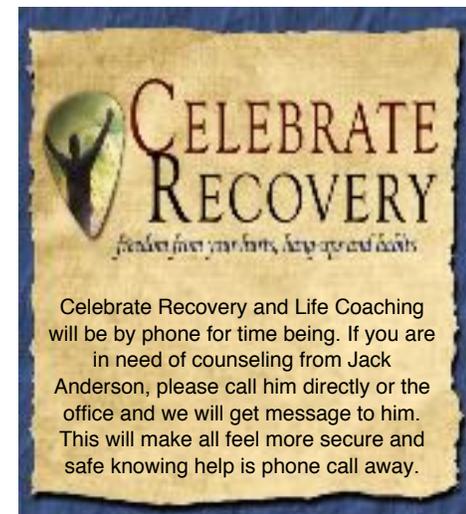

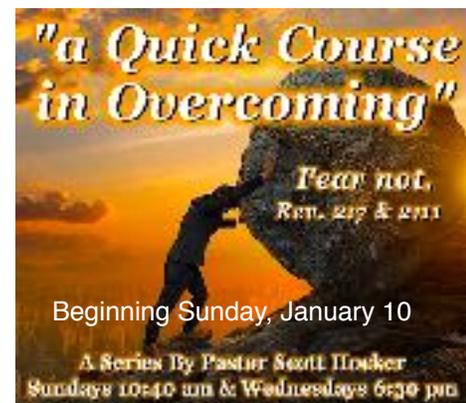

- 1 Start washing my hands after I use the restroom.
- 2 Stop drinking orange juice after I've just brushed my teeth.
- 3 Stop licking frozen flagpoles.
- 4 Only get divorced and remarried once this year.
- 5 Watch more movie remakes.
- 6 Go back to school . . . to avoid paying my student loans.
- 7 Only eat white snow.
- 8 Keep it to myself that I have trouble with authority when I'm being interviewed.
- 9 Spend less than \$1,825 on coffee at Starbucks this year.
- 10 Claim all my pets as dependents on my taxes.

### 20 "2020" Related Resolutions

I will...

1. Live my best life and only buy pants with no buttons or zippers.
2. Go vegan for six months and inevitably give up.
3. Sign up for a marathon that I bravely will not actually run.
4. Remember to make overnight oats the night before even though I know I won't want to eat them in the morning.
5. Go on a vitamin and supplement shopping spree and finish at least one bottle before I give up.
6. Buy all leftover 2020 calendars and burn them.
7. Go outside. Among people.
8. Relearn social cues after a year at home.
9. Stop lying to myself about following New Year's resolutions.
10. Make a viral reel making fun of TikTok.
11. Turn all my high heel shoes into flats.
12. Refuse to acknowledge the entirety of 2020 during social gatherings.
13. Tattoo "New Year, New Me (JK)" on my arm.
14. Never take HomeGoods trips for granted ever again.
15. Unfriend every person who shares their unsolicited diet or exercise regimen.
16. Do so much yoga that it actually justifies wearing yoga pants 24/7.
17. Make so many baked goods for my besties that they start calling me Martha Stewart.
18. Read more (or at least turn the subtitles on while binge-watching TV).
19. Wake up before noon on the weekends.
20. Actually put on a full outfit for Zoom calls (although let's be real, business-on-top-PJs-below never hurt anyone).

\*Footnote - The only resolution worth keeping is drawing nearer to God, through prayer & worship.
