If Only...

At the present, the majority of souls in the world are not saved.

A great inventor was once asked, "What do you consider your greatest discovery?" The wise man answered, "My greatest discovery was the discovery of Jesus Christ as my Savior" The Greatest thing ever said about Andrew, the brother of Simon Peter, is given in the book of John 1:42 "And he brought him to Jesus." That was Peter whom he brought.

Think how different history would read if that had not occurred. Recall the great things accredited to the life of this apostle: how many thousands he witnessed to, how many were converted and baptized. But how many stop to remember that it was his little-known brother, Andrew, who "brought him to Jesus"?

As believers of Jesus Christ being commissioned by our Savior Himself (And He said to them, "Go into all the world and preach the gospel to every creature" Mark 16:15.) We can not be afraid of rejection or offending people when testifying to our faith. We should instead, consider the offense that we truly commit by not telling them. For when they stand before the throne of judgement it will be to late. If you know Jesus as your Lord and Savior you know enough to tell someone.

Think of this...

Imagine It's judgment day and you are standing before Christ to receive your reward, you hear a familiar voice saying "Why didn't you tell me? You look over and recognize someone you knew during your time on earth. Then you realize their standing at the White Throne of Judgement. What answer would you give him?"

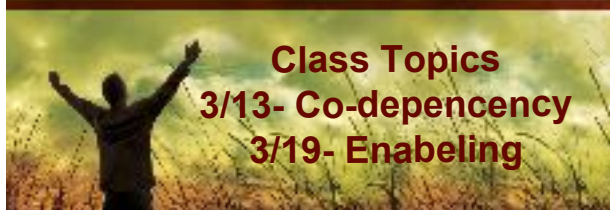

If Only.
